

2020 Commemorative Tree Planting Program

The Operations Department is pleased to offer a Commemorative Tree Planting Program. This program may be used as a form of remembrance of a loved one, celebration of a birth, honouring a retiree, or any other event which you feel should be commemorated by a living tribute. Trees will be planted in approved areas along the Brock Trail in the fall of each year. Orders must be received by the Operations Department by August 1 with payment in full. Once planted, the tree becomes the sole responsibility of the Operations Department.

Additional Questions?

The Operations Department is responsible for all tree related concerns on City property. Questions related to a particular tree concern, or any other aspect of tree care and maintenance, should be directed to the Public Works/Parks Foreman in the Operations Department.

Plaques

Plaques are bronze, 6" x 8" in dimension, mounted on a metal post with a brief inscription, installed at the base of the tree.

Tree Sizes

Deciduous trees planted will be a minimum of 70 mm or 2.5" caliper. Coniferous trees will be a minimum of 5' - 6' in height.
