

If you have any of the following symptoms of COVID-19:

- 1 Fever/chills
- 2 New cough or a cough that is getting worse
- 3 Difficulty breathing
- 4 Lost sense of taste or smell
- 5 Sore throat
- 6 A runny nose or congested nose (not allergies)
- 7 Unusual level of fatigue
- 8 Unusual headache
- 9 Nausea/vomiting, diarrhea, or loss of appetite
- 10 Feeling unwell for an unknown reason

OR you have been exposed to someone with COVID-19 or someone who has developed new respiratory symptoms, **OR** you have been outside of Canada in the past 14 days, **please do not enter this building.**

If you have symptoms, contact either your health care provider, Telehealth Ontario (1-866-797-0000), or visit an Assessment Centre for testing.
