1. **Accessory**, when used to describe a use, building or structure, means a use, building or structure that is normally and customarily incidental, subordinate, clearly secondary to, and exclusively devoted to a main use, building or structure and located on the same lot therewith. An accessory building or structure shall not be used for human habitation unless explicitly permitted by this By-law and shall be detached from the main building in accordance with this By-law.

2. **Accessory Dwelling Unit** - see “Dwelling”.

3. **Adult Entertainment Establishment**, means any premises or part thereof, used in pursuance of a trade, calling, business or occupation, if:
   a) goods or services appealing to or designed to appeal to erotic or sexual appetites or inclinations where such goods or services account for 5.0 percent or more of all goods or services provided on the premises, and shall include, without limiting the generality of the foregoing, the sale of goods, services or entertainment in which partial or complete nudity is a principal feature or characteristic; or,
   b) services appealing to or designed to appeal to erotic or sexual appetites or inclinations, including body rubs, but excluding any services offered or solicited for the purpose of medical or therapeutic treatment and performed or offered by persons otherwise duly qualified, licensed or registered to do so under the laws of the Province of Ontario.

4. **Agricultural Use**, means land used for the pasturing of animals and for the cultivation of crops, and may include a tree farm or sod farm, market gardening and riding stables.

5. **Alter**, means:
   a) In reference to a building or part of a building, to change any one (1) or more of the dimensions of such building or to change the type of construction of one (1) or more walls or roof thereof.
   b) In reference to a lot, to increase or decrease the width, depth or area of any required yard, landscaped open space or parking area, to grade, excavate or place fill that would change the landform and natural vegetative characteristics of a site, or to
change the location of any boundary of such lot in relation to a public highway or laneway, whether such alteration is made by conveyance or alienation of any portion of said lot, or otherwise.

The words “altered” and “alteration” shall have corresponding meanings.

6. **Amenity Area**, means recreational facilities which may include patios and landscaped areas of the site, balconies, swimming pools, communal lounges and other areas within the site which can be used for recreational purposes.

7. **Angular Plane**, means a plane which projects up at a forty-five degree (45°) angle away from the improved public street right-of-way and establishes the maximum building height. The angular plane commences on the street line on the opposite side of the street and extends up and across the street and the entire width of the lot.

8. **Animal Shelter**, means premises used for the care of lost, abandoned or neglected animals and operated by a public authority or non-governmental not-for-profit organization.

9. **Apartment Dwelling** - see “Dwelling”.

10. **Arcade**, means a place, building or structure where five (5) or more electronic, mechanical or other such machines for amusement are operated for gain or compensation for their owner, and may or may not be operated in conjunction with any other activity, but does not include premises licensed under the *Liquor License Act*.

11. **Artist’s Workshop**, means a place used for purposes such as commercial photography, painting, art, needlework, tapestry making, pottery making, hand weaving or sculpting, and includes a gallery for displaying or selling goods provided that such gallery is ancillary to the production process.

13. **Attached**, means a building which is otherwise complete in itself, but which depends on structural support or complete enclosure upon a division wall or walls shared in common with an adjacent building or buildings.
14. **Attic**, means the space between the roof and the ceiling of the top storey or between a dwarf wall and a sloping roof; said space is not considered to be habitable space.

15. **Auctioneer’s Establishment**, means a building, structure or land used for the retail sale of articles or goods by way of public auction, and may include the auctioning of motor vehicles as an accessory use. Items sold for auction shall be subject to the applicable requirements for open storage and motor vehicle storage.

16. **Auditorium** - see “Assembly Hall”.

17. **Automobile Body Shop**, means a building or structure used for the painting or repairing of automobile bodies or fenders, including frame straightening, fibreglassing, sanding, filling, painting, grinding and any other activity associated with restoration or replacement of body panels, but shall not include an automobile wrecking yard or salvage yard.

18. **Automobile Gas Bar**, means the premises where gasoline, propane or diesel fuel is kept for sale, or electric vehicles charged, with or without lubricants or other items and accessories associated with the operation of automobiles and normally sold at a gasoline pump island, but where no servicing, repair or equipping of motor vehicles is carried on.

19. **Automobile Rental Agency**, means a premises where vehicles are stored and rented to the public on a short term basis, and may include a clean-up/detail bay and shall include an agency for vehicle sharing. For the purposes of this definition, short term shall mean less than six (6) months.

20. **Automobile Repair Garage**, means a building or structure where repair, refitting or customization of motor vehicles may be undertaken for compensation but shall not include an automobile body shop, and shall include electric motor vehicle charging stations.

21. **Automobile Sales Establishment**, means a building or structure or place where new motor vehicles, as defined by the *Highway Traffic Act*, are kept for display and/or sale, with the display and/or sale of used motor vehicles permitted as an accessory use. All automobile repairs, including electric vehicle charging stations, may be carried on within an automobile sales establishment.

22. **Automobile Service Station**, means a building or place where gasoline, diesel fuel, propane, oil, grease, antifreeze, tires, tubes, tire
accessories, electric light bulbs, spark plugs and batteries for motor vehicles, and new auto related retail goods are stored or kept for sale, or where automobile repairs are carried on. An automobile service station may include a car wash or convenience store as an accessory use. An automobile service station may include electric vehicle charging stations. An automobile service station shall exclude any other use otherwise defined herein, unless such use is specifically permitted in the Zone.

23. **Automotive Trade Use**, means any automobile related use, such as tire sales and repair, dealer preparation of vehicles, radiator repairs, transmission or muffler repairs, automotive glass repairs, automotive seat covering and customizing, but shall not include any other use otherwise classified or defined herein.

B

24. **Bakery**, means a place, building or structure wherein the principal activity is the baking of goods, including the preparation, storage, wrapping, and packing, and other activities associated with the preparation for sale or other distribution.

25. **Bake Shop**, means a place, structure or building wherein the principal activity is the retailing of baked goods, including incidental baking of products for retail sale on the premises only.
