“The purpose of the tender opening is to publicly announce and record every bid received, with the exception of late bids. Bidders should note that the pricing information read out today is PRELIMINARY in nature only and should not be construed as an indication of which Bidder is being awarded the contract. All documentation is subject to review for mathematical accuracies, compliance with the specifications, and compliance with the terms and conditions of the contract, the completion of which will ultimately determine the successful Bidder.”
