WHY WASN'T MY WASTE COLLECTED?

If your waste was not collected, please see the following list for possible reasons:

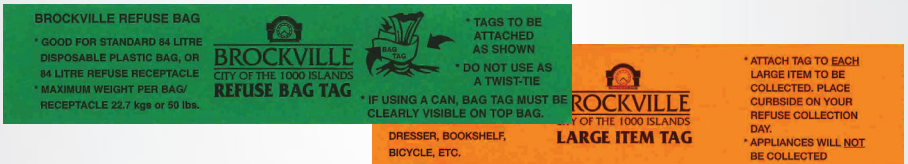

- Extra bags (above one bag limit) did not have tags.
- Bag was overweight (maximum 50 pounds).
- Late set-out (after trucks went by) Collection starts at 7:00am.
- Waste improperly placed (behind snowbanks, etc.).
- Collection schedule delays (due to holiday or unforeseen circumstances). Check website for updates www.brockville.com.
- Unacceptable materials in the recycling.
- Unacceptable items at the curb (appliances, household hazardous waste, tree branches, etc).
- Recycling was placed out in a plastic bag instead of a bin.

IF NONE OF THE REASONS ABOVE APPLY:

Please call the City of Brockville at
613-342-8772 extension 3220.

Collection Requirements

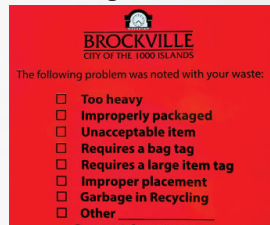

- All waste & recycling must be set out at the curb **between 5:00am and 7:00am on the day of collection only.**
- Residents are allowed **ONE bag of garbage** (26" x 36") per collection per week. Any additional regular bags, bundles, or small items (under 50lbs) must each have a \$3 bag tag attached in order to be collected.
- Large items (such as couches, dressers, chairs, mattresses, box springs, tables, etc.) must have a \$10 large item tag attached in order to be collected. Please write your address on the tag. There may be a delay between your regular waste and your large item being collected, but it will all be done on your collection day.
- Bag tags and large item tags can be purchased from:
 - City Hall
 - Home Hardware
 - Metro
 - Gord Watts Municipal Centre
 - Superstore
 - Local Convenience Store
 - Canadian Tire
 - Quickie Convenience stores

Garbage bags & cans must weigh less than 22.6 kg or 50 lbs. in order to be collected.

Recycling must be placed in a container, not a bag.

- Please ensure that your garbage is secure from wind and pests as much as possible. This includes avoiding early set-outs and using a can with a removable lid, if necessary.
- If your waste was not collected, the waste collectors will leave a red sticker indicating why it was not collected. Please look for this sticker if your waste was left behind or see page 8 for more info.

**FOR CURBSIDE COLLECTION ISSUES: Please Call Contracted Collectors: L.A. Knapp Inc.
Phone: 613-345-1941**

What is Recyclable?

Recycling must be placed in a bin, not a plastic bag. Recycling can be **CO-MINGLED**, meaning all plastics/metal/glass **AND** paper products can be placed together in the same recycling bin - no additional sorting required. Please ensure material is clean. **If garbage is found in recycling it can be refused.** Check the City's Free Recycle Coach App on the App Store and see "What Goes Where".

Residents of Brockville are entitled to 2 wheelbarrow-sized loads of compost for FREE per year. Residents are responsible to load and transport small quantities of compost by hand.

Material in plastic bags must be debagged and the bags removed from the site. **Brush must be debagged.** Leaves in paper bags are accepted without the need to debag. Please no tape or staples on bags. **Grass clippings/sod/weeds/household organics/fruits & vegetables are not accepted. These materials can go in regular garbage.**

Regulations & prices quoted are applicable at the time of printing and are subject to change during the calendar year. The City reserves the right to limit type or quantities of waste accepted, or of compost given or sold.

Fall Curbside Leaf Collections

In addition to the compost site drop-off option, there will be two curbside fall leaf collections in 2023 during the weeks of:

October 23rd to the 26th, 2023

November 13th to the 16th, 2023

Please use paper bags or reusable containers ONLY. Leaves in plastic bags of any kind will not be collected.

Place the leaves out at the curb on your regular collection day **NO LATER THAN 7:00 a.m.** during these two weeks, as your leaves are collected in a separate truck and may be collected prior to your garbage and recycling.

Household Hazardous and Special Waste

Examples of household hazardous wastes are batteries, paints, motor oil, antifreeze, herbicides & pesticides, propane tanks, light bulbs, and prescription drugs, etc. When these products are disposed of in the garbage, poured on the ground or into drains, they can be harmful to our health and the environment.

These items should be delivered to a stewardship retailer, if possible, or the Household Hazardous Waste Event.

The 2023 Household Hazardous Waste event is scheduled for Saturday August 26th. Please monitor our website, local papers, or call for information and updates.

PLEASE NOTE: The drop-off event will be located on Crocker Crescent. Traffic will be one-way. Please enter from the north on Broome Road and turn right on Crocker Crescent ONLY and follow signage on event day.

More information on Ontario's Hazardous and Special Products program can be found at www.RPRA.ca. Check their website for materials and participating drop-off retailers at <https://rpra.ca/find-a-collection-site/>

Waste Collection Calendar Dates to Remember!

- **Community Treasure Days:** June 17th and September 16th, 2023 - The garage sale where everything is free! Leave any unwanted, but still useful, items at the curb by 9:00 a.m. Remove any uncollected treasures from the curb and cease collecting by 6:00 p.m. Please do not remove items from anyone's property - only collect items from the curb.
- **Municipal Household Hazardous Waste Day:** Date is scheduled for Saturday August 26th. Hours - 8:00 a.m. to 2:00 p.m. - For residents of Brockville to drop off free-of-charge any hazardous materials generated from their individual households. **PLEASE NOTE: The drop-off event will be located on Crocker Crescent. Traffic will be one-way. Please enter from the north on Broome Road and turn right on Crocker Crescent ONLY and follow signage on event day.**
- **Fall Leaf Collections:** Week of October 23rd to 26th, 2023 and November 13th to 16th, 2023 - Put out leaves for collection in **paper bags or reusable containers ONLY** before 7:00 a.m. on your regular collection day during these two weeks. Leaves in plastic bags and paper leaf bags with staples or tape will not be collected.

Wintertime Collection Tips

- In the wintertime, please remember that waste collection takes place from the roadside. Do not leave waste on your front lawn or steps, or *behind* snowbanks where it may be missed or unsafe/difficult to access. Please place it at the end of your cleared driveway or safely clear a spot in the snow for placement.
- In cold weather, your recycling may get stuck in the bin while it's being emptied. Try not to put recycling in the bin if it's still wet from rinsing.
